In order to avoid unnecessary cleaning, you may check for clogged nozzles before doing so. Mobile printing Connect wirelessly from your smartphone, tablet, or computer. 1 Make sure the product is NOT CONNECTED to your computer. • The printer can only connect to a network that supports 2.4 GHz connections. • Restart your router (turn it off and then on), then try to connect to it again. Run a nozzle check to see if any of the print head nozzles are clogged. There are lines or incorrect colors in my printouts. If your router offers both 2.4 GHz and 5 GHz connections, make sure 2.4 GHz is enabled. Network setup was unsuccessful. WF-2750: Press a button on the keypad repeatedly to scroll through characters (ABC, abc, or 123). WF-2760: Press Start to set up the fax, or press Close to set it up later. • Direct USB connection Make sure you have a USB cable (not included). You can read the Epson WF-2750 user manual online. 5 When software installation is complete, restart your computer. • Print remotely with Epson Connect™ and Google Cloud Print™. See the online User's Guide for more information. Starting a scan Starting a Scan Using the Product Control Panel Starting a Scan Using the Epson Scan Icon Starting a Scan from a Scanning Program Selecting Epson Scan Settings Scan Modes Selecting the Scan Mode Scanning in Office Mode Scanning in Professional Mode Image Preview Guidelines Scan Resolution Guidelines Selecting Scan File Settings Available Scanned File Types and Optional Settings Scanning with OS X Using Image Capture Available Scan Settings - OS X Image Capture Starting a Scan from a Smart Device How to Faxing using Epson WF-2750? If your printer not printing black, there is any trouble with your ink cartridge, here is how to fix: Check your ink level, if empty replace with new black ink cartridge The print head nozzles may need to be cleaned. This manual describes about printer basics, Wi-Fi networking, how to printing, scanning and copying, how to troubleshooting problem, how to maintenance the printer, and technical specifications of the printer. Simply connect your printer and device to the same network and tap the action icon to print. Print documents and photos from across the room or around the world: • Print directly from your iPhone, iPad, or iPod touch. • If you see a firewall alert message, click Unblock or Allow to let setup continue. 6 Install software Note: If your computer does not have a CD/DVD drive or you are using a Mac, an Internet connection is required to obtain the product software.
